Halloween and Bonfire/ Fireworks night

Local NPT officers will be making additional evening patrols over the week-long period around Halloween and Bonfire night. In recent years we have seen a reduction in reports of anti-social behaviour during this period which suggests that local parents and young people are celebrating these events in an appropriate and responsible manner. However, this period can be a stressful and nervous time for some local residents worried about 'trick or treat' visits and loud noise from Fireworks. Parents should ensure that any celebrations are supervised and respect the privacy of those not wishing to take part. As in previous years, local Police will be distributing Halloween posters which can be displayed by those not wishing to be visited. These posters will be available in local shops/ Post offices in the run up to Halloween. You can request a poster from your local NPT (contact details below) if you unable to collect one locally.
