Dear Liz

**Final Internal Audit Review:  
Alderbury Parish Council – covering March 2023 and Year End procedures**

The Accounts and Audit (England) Regulations 2015 (as amended) require all Town and Parish Councils to undertake an effective internal audit to evaluate the effectiveness of their risk management, control and governance processes, taking into account public sector internal auditing standards or guidance.

We confirm that we are independent of the Council.

The internal audit work we have carried out has been planned to enable us to give our opinion on the control objectives set out in the Annual Internal Auditor’s Report on the 2022-23 Annual Accountability and Governance Annual Return (AGAR).

We have complied with the legal requirements and proper practices set out in:

- ‘Governance and Accountability for Local Councils – A Practitioners’ Guide (England)’ 2022
- The Accounts and Audit (England) Regulations 2015 (as amended).

This is the final audit in 2022/2023 to check that the Council adheres to the requirements set out in the Accountability and Governance for Smaller Authorities in England ensuring that compliance with proper practices is maintained.

.....

The internal audit review was agreed to be carried out remotely. Consultations have continued by email with the Parish Clerk.

The Clerk has also allowed us view access to the Scribe software so we are able to check the transactional information for the period March 2023 plus End of Year details that support the current governance and financial management position of the Council.

Further confirmation has been obtained of good practice and compliance with the Transparency Code Regulation 2015 from the Council's website.

The interim internal audit review was carried out on Tuesday 28 March 2023. We are also using the information already recorded from this review to complete the internal control objectives on the (AGAR) Internal Audit Report.

Where this is necessary, we will complete the AGAR Internal Audit Report on evidence already seen from the previous review. This is acceptable practice for the External Auditor.

As part of this final Internal Audit Review, we checked:

**Bank Reconciliations**

- Bank Reconciliations were re-performed and no errors were found.

**Income and Expenditure, PWLB and VAT reimbursements**

- all income and expenditure items as at 31 March 2023 were confirmed and details are accurate to the records held by Council.

**Parish Council Minutes**

- Minutes of the Council were checked on the website for approvals and decisions made and approval of payments was checked up to March 2023.

**Asset Register**

- The Asset Register at 31 March 2023 was reviewed and additions and disposals for 2022/23 were agreed.

**End of Year Procedures 2022/2023**

A full check was carried out on the End of Year documentation provided by the Clerk to confirm the accuracy of the details to be submitted to the External Auditor. This also included the validation of any variances of totals over 15% between 2021/22 and 2022/2023 shown on Section 2 of the AGAR as required by the External Auditor.

The 2022/2023 AGAR Internal Audit Report requires the Internal Auditor to check the Council has correctly provided the proper opportunity for the Exercise of Public Rights in accordance with the requirements of the Accounts and Audit Regulations.

This includes the Internal Auditor being shown evidence that the posting of the notice on the website was done at least one clear day before the 30-working day period begins.

***(Audit Note; We are pleased to report that the Parish Council have displayed the Notice correctly to comply with the requirements of the Accounts and Audit Regulation 2015).***

The Annual Internal Audit Report to be submitted to the External Auditor was completed and signed by Tim Light.

We are pleased to report that the various records and procedures in place for the Council provide an appropriate standard of control.

This report should be noted and taken to the next meeting of the Council to inform them of the Internal Audit work carried out. The details of this Internal Audit Letter Report should also be Minuted by the Council.

**Finally**

We confirm that notice is given that 2022/2023 will be the final year for Internal Audit provision by Lightatouch.

Due to personal circumstances, we will no longer be able to commit to the time required to carry out the internal audit in 2023/2024.

Furthermore, best practice recommends market testing for the Internal Audit service every 3 to 5 years.

We would like to thank you for your business whilst I have undertaken the Internal Audit for the Parish Council.

Yours sincerely,  
Tim Light FMAAT  
Internal Auditor.
