## Noticeboard Options February 2023

I originally assumed wood with the following other assumptions:

Size – as close to 8xA4 as possible

Glazed – these pretty well always come locakable although I know that was not a stated preference

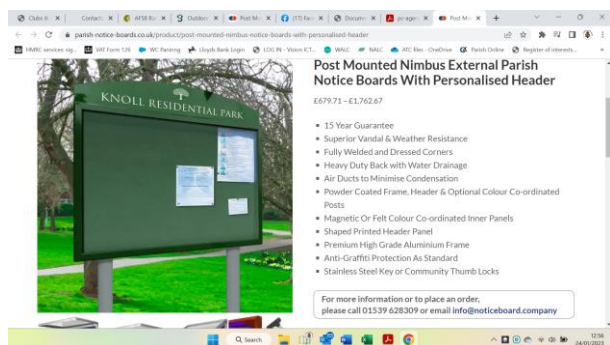

Mounting – posts: some options automatically include posts (but we may be able to discuss this) others allow you to re-use existing posts. Elaine & I looked at least one current board and the posts looked good enough

Company	Doors	Price (net)		
Earth Anchors	Dual	£918		
Green Barnes	Single	£747	Header board as shown in picture is not included in this price	Similar in aluminium is £390. Doesn't look quite so robust. <a href="https://www.greenbarnes.co.uk/shop/external-noticeboards/aluminium-noticeboards/af58-aluminium-noticeboards/8-x-a4-af58-aluminium-noticeboard-ref-af58-8a4/">https://www.greenbarnes.co.uk/shop/external-noticeboards/aluminium-noticeboards/af58-aluminium-noticeboards/8-x-a4-af58-aluminium-noticeboard-ref-af58-8a4/</a>

Pictures and further details below.

BUT there is a more choice if you abandon real wood and go for man-made wood effect or even more so, aluminium. They tend to have a slightly more modern look perhaps.

**CLERK'S RECOMMENDATION:** I liked <https://www.parish-notice-boards.co.uk/product/post-mounted-nimbus-notice-boards-with-personalised-header> for it's 15 year guarantee. £818 for our size in aluminium with no posts and no header board. Looks really traditional compared to cheaper aluminium options like the Green Barnes one above.

There is £5,000 in reserves earmarked for this, so 4 boards is affordable and allows some money for installation.

**8 x A4 oak noticeboard (Ref: L8A4/O)**

From: £746.84 (excl VAT)

Single-bay, 8 x A4, tamperproof, external oak notice board, landscape format, glazed. Can be wall, post or railing-mounted. Overall dimensions 1010mm wide x 767mm high (without header). Display dimensions 840mm wide x 594mm high. Display capacity 8 x A4 sheets in portrait orientation.

If you need to display 8 sheets of A4 but don't need the additional flexibility offered by a 2-door, 4 x A4 board, this landscape format single-door board may well prove to be a cost-effective solution. Lockable, with 2 locks on the top edge, the door hinges downwards when opening leaving your hands free for the easy addition and removal of notices. Click the "Info" button to see full specifications.

These boards offer the unique blend of traditional appearance and intelligent design, combining over 25 years of manufacturing experience with the best of both traditional and modern materials. Solid oak frames are combined with back panels fabricated from **Tricoya®**, a man-made acetylated wood panel material with durability and stability far exceeding that of any form of plywood. [Click here for more information on Tricoya®.](#)

Standard specification includes:

- Solid oak frames and **Tricoya®** back panels
- Microporous wood stain finish
- 4mm toughened safety glass
- Integral weatherseal and ventilation
- Nickel-plated brass or stainless steel hinges
- Lockable (glazed bays)
- Sundeala pinboard

Incorporated into all glazed, oak boards are concealed vents top and bottom, designed to maximise airflow and thus minimise condensation, whilst hinges and locks are carefully chosen for longevity and ease of maintenance. Offered with a huge range of options including toughened glass or polycarbonate glazing, a choice of 7 different display surfaces and a wide variety of finishes, headers and accessories, Greenbarnes oak noticeboards can be easily tailored to meet client's exact requirements and are designed to give a long, trouble-free life.

Options include:

- Choices of finishes
- Alternative 4mm polycarbonate glazing material
- Choice of 7 alternative display materials
- Glazed bays can be supplied with latch for public access
- Choice of header designs and lettering styles
- Available for wall, post or railing-mounting
- LED lighting (glazed bays only)
- Dedication plate
