

# ALDERBURY PARISH COUNCIL

*Caring for Alderbury and Whaddon*

## Alderbury: Southampton Road Footpath Verges

Southampton Road runs through the village of Alderbury in South Wiltshire from the point where it leaves the A36 at Whaddon and exits the village at Shute End. There are footways running alongside the road and these become overgrown with vegetation that gradually encroaches from the verges. This has reached a stage where it is causing difficulty for pedestrians – particularly those with prams and wheeled chairs. The Council now wants to clear the vegetation and improve accessibility for pedestrians.

### Quotations Invited

Quotations are now invited for the works specified in the schedule below. Costs should be itemized according to the specification, inclusive of materials, transport and labour and entered net of VAT.

| Works and materials to be provided  | Price net of VAT |
|---|------------------|
| 1. Cut back the banks and vegetation to clear the footways (from the carriageway edge to the full width of the surfaced pathway/pavement) from the village boundary at Shute End (marked by the Alderbury sign) at the northern end of the village right through to a point 100m beyond the junction with Grimstead Road at the southern end of the village of the village. |                  |
| 2. Remove weeds and detritus from carriageway gutters   |                  |
| 3. Spray weeds, moss and bare soil areas in the pathway with an environmentally approved herbicide – Glyphosate or other HSE approved chemical product.   |                  |
| 4. Remove and dispose of all arisings in an environmentally sustainable manner – composting preferred. Arisings not to be thrown into the hedges or onto the verges.  |                  |

**Total price quoted  
net of VAT**
