### What does your subscription fee cover?

#### Scribe Cemetery Web-based Software

Access to the latest version of Scribe Cemetery software including:

- **cloud data storage** on UK Amazon servers, located in London:  
no risk of interception after the data Privacy Shield changed between EU and USA in June 2020;
- **fully GDPR compliant:**  
logs audit trails tracking the date of when data is acquired;
- **daily backups** run automatically;
- all customers receive the latest **upgrades and enhancements;**
- **unlimited** number of user **logins**, 'read only' for councillors and auditor logins.

#### Fully Inclusive Training

When you purchase Scribe Cemetery we will set you up with access to your own online account and provide you with training. If your Clerk/Council changes or you employ someone new, we'll happily repeat the training at no extra charge.

#### Uncapped Support

Once you're up and running you will continue to have unlimited access to the Scribe Support Team. We're available by email, phone and Zoom calls during office hours Monday to Friday. With your permission, we can access your account and solve questions remotely and quickly.

#### Online Knowledge Base

If you prefer to self-learn, our online knowledge base is filled with tutorials, frequently asked questions, and help documents.

#### Satellite Mapping

Satellite mapping is included as part of the Cemetery package. You can add burials, memorials and empty plots directly to the map as well as defining different areas of the Cemetery to create your own bespoke Cemetery plan.

#### Inspection reporting

To keep on top of Health and Safety it is important to regularly inspect your Cemetery. Scribe Cemetery enables you to record this information with photographs within individual plot records.
