

ABOUT US

Alderbury Parish Council is the most local level of UK government serving the parish of Alderbury in Wiltshire. It consists of 11 elected councillors serving around 1300 households.

The parish council levies a tax (precept) to pay for its local services. In 2021/22 the parish precept is £51,990. The precept covers the costs of running the council and providing all of its services including grass cutting, litter removal, grounds maintenance, play grounds, burial grounds, bus shelters, footpaths and much more.

The Council is committed to listening to and working with local people and many local residents work with us as volunteers, helping to keep Alderbury and Whaddon the special place we all love.

Please get in touch if you want to be involved.

FORWARD PLAN 2021-22

COMMUNITY PROJECTS

Wildlife Friendly Alderbury - 17 May 2021 – onwards

Working with Wiltshire Wildlife Trust to protect and enhance the biodiversity of the Village (project plan now available). The first project – the creation of a community orchard and wildflower meadow – started on 28th November with tree planting by volunteers.

Village Hall Refurbishment - 1 April 2021 – 18 May 2021

The £400k refurbishment and extension of the Village Hall in Rectory Road was completed in May and the official opening took place in August.

Road Safety and Speeding - 1 May 2021 – 30 June 2021

The new speed indicator device was installed in June and a solar panel was added in October.

Community Resource Hub - July 2021

The old garage building was refurbished in August and will be used as a base for volunteer resources.

Clearance/maintenance work on pavements along Southampton Road - September 2021

Tenders have been received for these works.

Drain Clearance – Nov/Dec

To let a contract to clear blocked drains in Southampton Road.

IMPROVING THE COUNCIL

- **New Website:** Launched in April 2021
- **Renew the Grounds Maintenance Contract:** Dec/Jan 2021/22
- **Review the burial ground fees and regulations:** Now online
- **Policy Review:** New and updated policies now online
- **Update the Council Asset Register:** Now online

REPRESENTING THE VILLAGE

The council will continue to lobby on behalf of villagers and scrutinize planning applications and services provided by others. We will work hard to make sure that local concerns are addressed and we will seek out your views on matters that affect the village. We will keep an eye on issues that could cause problems and prepare for emergencies, hoping they never arise.
