

# Website Accessibility Statement

Alderbury Parish Council is committed to making its website accessible, in accordance with the Public Sector Bodies (Websites and Mobile Applications) (No. 2) Accessibility Regulations 2018.

This accessibility statement applies to [www.alderburyparishcouncil.gov.uk](http://www.alderburyparishcouncil.gov.uk)

## Compliance status

This website is partially compliant with the Web Content Accessibility Guidelines (WCAG) version 2.2 AA standard.

## Non-compliance with the accessibility regulations

Some pages may contain content and / or attachments which are not currently compliant, where this is the case we will endeavour, on request, to obtain an accessible copy from the original source or to convey the information contained in the document in an accessible way:

- Content produced by third parties - not all documents on this website are created by us.
- Content using third party software **FOR EXAMPLE, MAPS,**

## Content that is not within the scope of the accessibility regulations

Many of our older PDFs and Word documents do not meet accessibility standards – for example, they may not be structured so they're accessible to a screen reader. This does not meet WCAG 2.1 success criterion 4.1.2 (name, role value).

The accessibility regulations do not require us to fix PDFs or other documents published before 23 September 2018 if they're not essential to providing our services. For example, we do not plan to fix meeting agendas or minutes for meetings which were published prior to 23 September 2018.
