Emergency Response

Event/Risk/Activity	Actions	Who
Preparation	Ensure salt bins are full. Additional supplies are held at Marcus Light's farm on Old Road and he will deliver as requested by the parish council.	Parish Council
Monitor Water levels, Weather reports/ Warnings	Observe water levels in rivers, ditches etc. Note bulletins from Environment Agency.	APC Coordinators and riverside residents
Imminent Flooding or Heavy Snowfall	Advise residents: Facebook, village website, Nextdoor Alderbury and notice boards. Support residents needing help. If road closure is required, liaise with WC/Police.	Coordinators and Parish Councillors
Identify and contact vulnerable residents	Assist those needing to get through water/snow or emergency supplies	Parish Councillors and volunteers with 4x4 vehicles
Village Hall	Open hall to provide hot drinks, emergency accommodation and information.	Parish Councillors and Village Hall Committee
